INSTALLATION INSTRUCTIONS | APRIL 2026

DISMOUNTING INSTRUCTION Light source & driver

- 1** Loosen the socket screws and wires to remove the mounting base.
- 2** Open the ceiling base and disconnect the wires to remove the driver.
- 3** Unscrew the endcap and loosen the wires.
- 4** Pull out the light source to remove it.

The driver can be replaced by the end user.

The light source is replaceable by Wever & Ducré or by a professional with explicit authorisation. For more information please contact your local Wever & Ducré customer service point.

Use green electricity to light up your luminaire.
