2 For single luminaire

2 For series of two luminaires

DIMENSIONS

MOUNTING INSTRUCTIONS

1 Loosen the screws from the lid and remove it.

2 **POWER CONNECTION**
For single luminaire

For series of two luminaires

3 Put the lid back on the body and fix it with the screws.

4 Fix the luminaire body on the wall with screws (screws are not included).

5 Mount the cover on the luminaire body by aligning the pins with the slots on the inset and push them in.

6 Lock the cover with the allen screw with the included allen screw key (see installaton manual envelope).

DISMOUNTING AND RECYCLING INSTRUCTIONS

Light source

- 1 Remove the socket screw on the side.
- 2 Pull off the cover.
- 3 Loosen the luminaire body from the wall by removing the screws.
- 4 Unscrew the back cover.
- 5 Remove the diffuser from the lamp body by unscrewing it.
- 6 Loosen the wires and unscrew the light source to remove it.

The light source is replaceable by an authorized professional.
For advice contact your Wever & Ducré customer service contact point.

This luminaire contains a light source with the energy class D.
