F6469041 Green Wall

Romeo Outdoor C3 Pvc (91 cm) Green wall

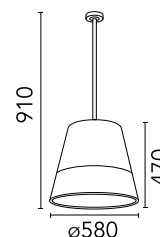

Designed by Philippe Starck

250W - Beam° 74

Outdoor suspension lamp emitting direct and diffused light. External diffuser composed of braided coloured PVC tubes. Light source not included.

Designed by Philippe Starck, Romeo Outdoor C3 adapts the iconic Romeo silhouette for exterior use with an unexpected choice of material. The classic diffuser is reimagined in braided PVC tubes, allowing the lamp to withstand outdoor conditions while preserving its decorative character. Playing with familiarity and transformation, Starck once again revisits a timeless archetype, creating an outdoor suspension that feels both playful and refined.
