

Track System
Model Long Lights

The linear *track system* is a structure in matte white metal for suspension lights. This system offers different linear composition possibilities with a varying number of light fixtures depending on the installation method chosen, i.e. suspension aligned in height or decentralised suspension.

Long Lights	System	Structure: Metal	Code
	Track System	 Matte White – 9010	R08L11 1000
		 Matte Black – 9005	R08L11 2000
